

# **INTERNATIONAL INSTITUTE OF ORIGINAL MEDICINE**

## **IOM Enrollment Process:**

### **Two ways to start the Enrollment Process:**

- 1. Save or print this request for information document to begin the IOM enrollment process. Provide the information listed under the Request for Information portion of this document. Complete and return by email to [iomonline@yahoo.com](mailto:iomonline@yahoo.com). Indicate your program or courses of interest.**
- 2. Use the Contact Us link to send us your contact information. Indicate your program or courses of interest. We will send you an enrollment packet by email.**

**Note: You can select / copy / paste directly from this on-line document to a text or word document that you have open on your desktop.**

**Documents that are not in digital format may follow the initial submission by Fax or mail. We suggest you scan your documents and send by email.**

## **Application:**

**We ask applicants to provide a complete record of their academic accomplishments.**

**This record should include college credits, certificates, degrees, seminars, etc.**

**We also ask applicants to provide a summary of life experiences that would supplement academic credentials.**

**Experiences both academic and non academic will provide IOM with the information needed to perform a complete evaluation. IOM will work with the applicant to identify experiences that support their academic credentials. Life experiences will play a role in the applicant's program placement and prior credit approval.**
